

## Moving to another home – your options

As a Newlon resident if you want to move to another social housing home the best option is to consider an exchange with another resident. An exchange is not limited to Newlon properties, you can swap with social housing residents nationally, including those living in local authority homes. As well as Newlon's own mutual exchange scheme, which is for our residents looking to swap with each other, there are a number of national exchange schemes and you can find details of these below.

Newlon has homes across north and east London, so if you are considering an exchange you might be surprised by the range of homes and areas available.

### Mutual exchange

Mutual exchange allows you to swap homes with another Newlon resident or a resident from another housing association or local authority. It is available to residents who have a secure, assured, or five year fixed term tenancy.

#### **First you need to find another tenant who wants to swap.**

To find another Newlon tenant who wants to swap their home you can read our quarterly Mutual Exchange Board, which contains an up to date list of other Newlon tenants also looking to move home. This is distributed with our newsletters but you can also download it on our website at [www.newlon.org.uk/publications/mutual-exchange](http://www.newlon.org.uk/publications/mutual-exchange). To advertise your property in this leaflet please call the Service Centre on **020 7613 8080** or email [customerservice@newlon.org.uk](mailto:customerservice@newlon.org.uk).

Alternatively you can try **HomeSwapper** which is the largest organisation for social housing residents wishing to swap homes. Thousands of people join every month to move locally or across the UK. HomeSwapper makes daily checks for new swaps and you can log on anytime to view them. It can also send you 'match alerts' to ensure that you don't miss out on your ideal home. If you are interested in a swap you can contact the other resident and arrange to view each other's properties. We have partnered with Home Swapper so it is free for Newlon residents to use. You can join by registering at [www.homeswapper.co.uk](http://www.homeswapper.co.uk).

## Other options for moving home

**Housing Moves** is the Mayor of London's housing mobility scheme that allows tenants of London boroughs or housing associations to move outside their existing borough to a different part of London. It is run by the Greater London Authority and the majority of London boroughs and housing associations are participating. Find out more about how it works at [www.housingmoves.org](http://www.housingmoves.org).

**Seaside & Country Homes** is a scheme for tenants aged 60 or older. The scheme helps around 150 households to move from London each year to bungalows or flats in desirable seaside and countryside locations. Learn more about it and the full eligibility criteria at [www.london.gov.uk/what-we-do/housing-and-land/renting/seaside-country-homes](http://www.london.gov.uk/what-we-do/housing-and-land/renting/seaside-country-homes).

## Contact your local authority

You can also try contacting your local council, as they may be able to offer advice or assistance in finding you a suitable home.

## Shared Ownership

Depending on your circumstances you could consider the possibility of becoming a homeowner through Shared Ownership if you want to move home. Newlon and a wide range of other housing associations provide homes for low cost homeownership designed to help people on lower to middle incomes take a first step on the property ladder. You can find out more about Shared Ownership at [www.newlonhomeownership.co.uk](http://www.newlonhomeownership.co.uk).

You can also find Shared Ownership homes which are available in London via the Homes for Londoners search tool: [www.london.gov.uk/what-we-do/housing-and-land/homes-londoners/search](http://www.london.gov.uk/what-we-do/housing-and-land/homes-londoners/search).

A wide range of information for residents considering a move can be found on our website [www.newlon.org.uk](http://www.newlon.org.uk).
