

# MUTUAL EXCHANGE BOARD

Winter 2026

The Mutual Exchange Board includes properties whose tenants wish to downsize to a smaller home. This could be an ideal opportunity for those of you requiring one or two additional bedrooms to move, as you might otherwise face an extremely long wait for a transfer.

Last year, we were able to arrange more Mutual Exchanges than transfers.

There are also many entries from tenants wishing to exchange with a similar property in another area, or with slightly different facilities. So do take a look, your new home could be here.
